What is an Outhouse Race?!?!

Deep in the heart of the U.P. lies Trenary; a sleepy little town, except on the last Saturday in February. That's when the population of Trenary (normally about 400 people) swells to about 4,000. You'll decide to believe it when you see it by joining us **Saturday, February 26th, 2022.**

You will see homemade outhouses made of wood, cardboard, etc..., but on skis and pushed by two "racers". Each year we have a different theme. This year's theme is: **Look before you leap into the 29th Ever Trenary Outhouse Classic.**

Some outhouses are very simple and some are so elaborate you wouldn't mind having them in your own backyard!!! The outhouses are pushed one-by-one down the main street of Trenary. The adult racers with the best time can win cash for 1st and 2nd places. Depending on age there are six different categories and there are more prizes for other categories that have nothing to do with how fast one goes (no pun intended)!

Anyone who has a sense of humor, or lacks one, needs to be here! Some folks like to build, some like to race, and everyone likes to watch!

The Trenary Outhouse Classic is the last Saturday in February (yet, it's an annual event!). What else have you got to do in the middle of winter?! You will have some great stories to tell your friends, better yet, bring them to enjoy the fun too!

Register your outhouse and get **2 free T-shirts, 2 Rolls of our special Toilet Paper, Signature "Potty Water", and more!**

Fun & Laughter is had by ALL!!!

The list is endless, but it's important for you to know that **ALL proceeds of this event are given back to Trenary's Community!**

In addition to the races, Main Street Trenary provides a day of fun, food, and vendors... You can buy **Official Outhouse** T-Shirts, Sweatshirts, or other gear.
